2. _____	_____%
3. _____	_____%
4. _____	_____%
5. _____	_____%
6. _____	_____%
7. _____	_____%
8. _____	_____%

No one company's credit shall exceed 1%.

3) Total of Allocations (Should equal the amount on Line 1) _____%

Groups which are allocating credit among the companies within the group must complete this form.

Each company's tax rate is calculated by deducting its allocated credit and its AL Ins Offices Credit from 3.6%.

Each company taking a percentage of the credit must attach this form to its annual premium tax return.
